About TNF Convention in Atlanta

For the first time in Atlanta, TNF will be hosting its National Convention during the coming Memorial Day Weekend (May 25,26, 2019). The Convention will be hosted by TNF Georgia Chapter and the Greater Atlanta Tamil Sangam at the Clayton County Performance Arts Center in Jonesboro, GA. We are expecting about 1,000 delegates from all over the U.S., with strong representation from Georgia, to attend this charity-focused convention which will include a Youth Convention and Entrepreneurship Forum. We will have continuous programs from 10 am to 11 pm on both days with meal breaks, time to socialize and shop around. For more details: <https://convention.tnfusa.org>

About the Trade Show

The Trade Show will be unique and offer a variety of products and services of interest to the attendees. With two full days of program, there will be plenty of opportunities for the attendees to stop by your booth and learn more about your services or buy your products. We expect the audience to be somewhat different on both days as we have one day registrations. TNF Convention attendees are generous by nature and in the past Conventions have spent considerably at the Trade Shows. They view the Trade Show as a key component of the Convention programs and look forward to the shopping experience.

By participating in the TNF Convention Trade Show, your business will reach out to a new, affluent and wider range of customer base. You will always have the satisfaction of supporting an established nationwide volunteer-run charity organization that sends 100% of its donations to empower the underprivileged.
