## From the Editor...

With some trepidation I accepted the request to be the editor for TNF's 45th in that Convention Report. This year's report is unique in that it focuses more on the **voices of the beneficiaries** than on just project updates. TNF Chennai Team, with support from TNF Project Coordinators and numerous benefitting organizations, video recorded the testimonials of hundreds of beneficiaries and shared those with me.

Culling key information from those video clips, I was able to get to conflate messages resonating with all four core pillars of TNF: education, women empowerment, rural development and health & hygiene. This is not a summary of all the projects implemented during 2018-19 but just a representative sample of the positive impact of your generosity towards underprivileged Tamils all over Tamil Nadu. The project list included in this report is more comprehensive of TNF's services in each district over four decades.

Besides translating their Tamil testimonials to English, I did my best to maintain the originality of their testimonials, and on occasions added some facts to provide context to their feelings.

On a personal note, I was often moved by messages of children which came from their heart, expressing their gratitude to TNF for touching their lives. When a student who has been on the sideline all his/her school years, due to lack of proficiency in languages and mathematics, is given a fresh lease in academic life, by TNF teachers, one cannot but feel gratified that our generosity has been put to good use. It is heart-warming to watch the face of a cyclone victim saved by TNF, by now with a roof over her head and a square meal a day, beam with indebtedness. அன்புதான் சிவமென்பது எத்தனை உண்மை!

I hope all of you get as much pleasure reading the district updates as I had in viewing the videos and in translating and summarizing them for you. I hope that at least one testimonial, whether it is the farm boy from Kanyakumari who will soon become a physician or the farmer in Pudukottai who is starting all over with new coconut seedlings provided by TNF through Cyclone Gaja relief, convinces you that your hard-earned dollars are put to very good use by TNF. More importantly, I hope these testimonials encourage you to become an integral part of TNF's visionary **மண்வாசனை** initiative that will ensure sustainability of such projects in all the 33 districts in Tamil Nadu and the Union Territory of Puducherry for generations to come.

I thank TNF Chennai team consisting of Mr. Rajarethinam, Chairman, Dr. Ilango, CEO, Mrs. Vasumathi Benny and Mrs. Manmatha Devi, Executive Directors, Mr. Satheesh, Mr. Adhisivaneswaran and Mrs. Sangeetha for their extensive work in compiling the video testimonials and the project lists for all the districts. I am grateful to the TNF Board for entrusting this significant responsibility with me and for enabling me to constructively enjoy my retired life.

Dear Friends and Supporters of TNF,

**வணக்கம்!**

It has been a rewarding two-year journey in engaging thousands of you across the U.S. to empower the underprivileged in Tamil Nadu and in the process further strengthen TNF in the U.S. A few significant highlights of our progress in the last two years:

- **A Million Dollar Foundation:** For the first time in TNF's history, we crossed three milestones during this fiscal year (April 1, 2018 to March 31, 2019):
  - o Greater than \$1 Million in total donations received by TNF USA
  - o Exceeded \$1 Million level in donations, even after excluding donations received for natural disasters like Cyclone Gaja and Kerala Floods
  - o \$1 Million (from the total donations received) sent by TNF USA to TNF Tamil Nadu Chapter for implementing projects
- The Honorable Governor of Tamil Nadu, Mr. Banwarilal Purohit, officially launched **மண்வாசனை** ("Mann Vaasanai") on February 20, 2019. As the single largest initiative of TNF to-date, this initiative's goal is to ensure sustainable funding for TNF projects in all four core areas (education, women empowerment, rural development, health and hygiene) in all the 33 districts of Tamil Nadu and the Union Territory of Puducherry
- **TNF ABC Education Initiative**, piloted in 2011 with proceeds from the TNF Convention in Philadelphia, has evolved as the flagship project of TNF. With 114 partner schools in 26 districts and 80,000+ beneficiaries, ABC project is continuing to open doors for TNF in the nooks and corners of Tamil Nadu to identify and fulfill the genuine needs of the underserved in all four core areas of importance to TNF
- **TNF Service and Education Internships** have enriched the lives of about 100 U.S.-born American Tamil youth and connected them with their ancestral heritage through service. The newly launched **TAYMAI Grants** is an outcome of their sustained interest to continue their service partnership with TNF in helping their peers in Tamil Nadu.
- Gone are the days with just one mega event a year for TNF in the U.S. Thanks to our growing number of active **Chapters**, almost every month in the past two years we hosted a TNF charity focused event somewhere in the U.S.
- All the above-mentioned growth initiatives reinforce that TNF does not limit itself just to natural disaster relief like **Cyclone Gaja** and **Kerala Floods** that we got involved in 2018. The natural growth in membership, projects, Chapters and donors have forced us to make significant **process improvements in finance** (e.g. digital donation receipts irrespective of donation amount, monthly financial statements to project sponsors and Chapters) and **communications** ("Eegai", monthly e-newsletter, robust website, active presence in social media, centralized registration and communications for Chapter events)

The TNF USA Board over the past two years took its role very seriously, passionately dedicated its time, skillsets and money and worked as one team focused on service. TNF Chapter Chairs, committees and most importantly hundreds of volunteers worked diligently on cost effective and charity focused regional events happening throughout the year across the U.S. More sister organizations and corporations are partnering with TNF to leverage our strong presence and track record. TNF Tamil Nadu Chapter Trustees and our staff in Chennai Center and across Tamil Nadu worked hard to ensure our hard-earned dollars were stretched (with government and corporate grants as well as good negotiation skills with suppliers), and reached the underserved without any middlemen. It is my honor and privilege to thank all of them for their compassion, generosity and team work.

From tomorrow (May 27, 2019), I will be back in the most important and most cherished role in TNF, as a **volunteer**. I am looking forward to the continued growth and evolution of TNF both in the U.S. and in Tamil Nadu as that will further enrich thousands of underprivileged in Tamil Nadu.

With Gratitude,

**Somalay Somasundaram**

**“Volunteers do not necessarily have the time;  
they just have the heart.”**

The most important people in TNF USA are our silent volunteers who work behind the scenes on essential tasks such as posting flyers, serving food, keeping the kids busy while parents watch the programs, cleaning the trash containers and lot more! It is their volunteerism which keeps TNF vibrant in the U.S. and in serving thousands of underprivileged in Tamil Nadu. Here are just some representative pictures of our volunteers and there are hundreds of them in our Chapters throughout the U.S. We are grateful to them for their passionate service.

**Mr. S. Rajarethinam, I.A.S., (Retd)**  
**Chairman**

### **MESSAGE FROM CHAIRMAN TNF CHENNAI**

#### **VANAKKAM!**

It is with pleasure, I record, that over the years TNF has not only expanded its range of activities and areas of operation exponentially but also achieved a respectable financial status enabling the trust to render service to a larger pool of deserving people.

It is due to the cumulative efforts of many minds working together day and night which has given the satisfaction of having achieved the vision of the Founders of the Organisation.

The year 2018-19 is significant in many respects. Ambitious fund raising program "**MANN VAASANAI**" was launched to create "**DISTRICT FOCUSED CORPUS FUND**" in all the 33 districts in Tamil Nadu and for the Union territory of Puducherry for implementing welfare activities.

Academic Bridge Course (ABC) the Flagship Project of TNF has been expanded to new areas and more schools benefiting 4957 students in 51 Government schools. Memorandum of Understanding (MOU), permitting the staff of TNF to work in school premises during working hours, has been signed with the Director of School Education. To bring significant progress in the learning

capabilities of the students "**DIGITAL CLASS ROOM**" project was inaugurated in a Government school in Chennai with the support of like minded partners.

Spontaneous response from TNF USA has enabled Chennai chapter to provide immediate relief and mitigate the suffering of the **GAJA CYCLONE** affected people. Further, TNF has designed "**Roof for the Roofless Project**" to help the beneficiaries under the Government Housing Scheme to complete construction of concrete houses overcoming their financial difficulties. For the first time, with the help of the corporates, a Fund raising event on "**KADAI EZHU VALLALGAL**" a dance drama was organised in Chennai for the above Project.

In the wake of growth in the number of activities and fund position, office administration has been streamlined and a Chief Executive Officer has been appointed to oversee proper implementation of projects and to ensure financial discipline complying with the provisions of Government Regulations.

I record my sincere thanks to the President TNF USA, Board of Directors, Donors and the Chennai team for their unstinting support which has made my task easier.

## Georgia Tamils and TNF

Georgia Tamils have a long history of association with TNF. Since 1992, TNF Georgia Chapter has been actively spearheading and participating in various TNF projects.

Did you know that Tamilians in Georgia have been instrumental in facilitating free cataract surgery for thousands of villagers in Tamil Nadu?

### Why Eye Camp?

Cataract, a preventable disease, could lead to blindness if untreated. Invariably, it leads to dependency and loss of livelihood. Restoring eye sight gives these people a second chance in life. With early detection, a simple surgery will remove the growth and, in some cases, implanting an intra-ocular lens will take care of this potential vision challenge. The whole procedure is safe, with an impressive success rate. Experts from reputed hospitals like Aravind Eye Hospital, Meenakshi Mission Hospital, Sankara Eye Foundation, Sight Care Foundation were solicited to conduct this expedition. TNF partnered with NGOs and doctors from the above-mentioned eye hospitals in conducting the Eye Camps.

#### Summary of the beneficiaries from GA Chapter Sponsored Eye Camps:

<b>No. of eye camps conducted 1996- 2014</b>	<b>:</b>	<b>148</b>
<b>Total number of people examined</b>	<b>:</b>	<b>35,763</b>
<b>Total number of cataract surgeries completed</b>	<b>:</b>	<b>5,431</b>

Dr. Balu and Andal Balu started the eye camp project through TNF in 1992. With support from their friends, they screened movies and organized music/drama programs by stalwarts like S.P. Balasubramaniam, P. Susheela, Mano, Mahanadhi Shobana, Malgudi Shubha, Malathi Lakshman, Lakshman Sruthi, Crazy Mohan, S.Ve. Sekar and Y. Gee. Mahendra. All profits generated from these shows were donated to TNF. A core group of 6 families (Kamakshi Doss, Kalyani Athimuthu, Anu Sekar, Jagatha Govind, Vasantha Ravi and Bhavini Rajan) helped Andal and Balu in organizing these events along with several other volunteers.

Besides our flagship Eye Camp project, Georgia Chapter has also supported TNF's Tsunami relief efforts and in raising \$13,500 for TNF ABC Project in 2010 through Lakshman Sruthi light music program.

Georgia Tamil Sangam (GATS) is continuing to play a key role in TNF's service mission. GATS raised \$15,000 in 2018 to support cyclone Gaja victims and partnered with TNF in building houses at Kunnalur village in Thiruvavur district. Only Rs. 50,000 of GATS funds were used to build each house and the remaining funds were obtained through Government

schemes. Thus, TNF leveraged disaster relief grants from the Government of India and the Government of Tamil Nadu and enabled GATS' members' hard-earned dollars to be stretched to build more houses.

TNF Georgia Chapter, under the leadership of Kannappan Sekkappan, current Chapter Chairperson and Convention Coordinator, is honored to host TNF's 45th National Convention in Atlanta. The Convention will not only strengthen TNF's presence in Georgia but also bring more awareness about TNF to Tamils in surrounding cities and states.

**“Mann Vaasanai”** is the single largest fund raising and corpus initiative by TNF since its formation in 1974. The initiative was approved by the TNF USA Board in 2018 and formally launched by the Honorable Governor of Tamil Nadu, Mr. Banwarilal Purohit, on February 20, 2019 in Chennai.

The goal of **“Mann Vaasanai”** initiative is to ensure sustainability of selected TNF USA Board sponsored projects in education, women empowerment, rural development and health and hygiene. The plan is to raise at least \$250,000 for each of the 33 districts in Tamil Nadu and the Union Territory of Puducherry. TNF Tamil Nadu Chapter will invest the donations (as per Government of India regulations for foreign NGOs sending funds to India) and only the interest generated from these funds will be used to expand and sustain TNF Board sponsored projects in those specific districts.

Your one-time donation will keep on giving to your ancestral district. We invite you to donate and empower your native district! For more information:

TNF thanks Clayton County Performing Arts Center (CCPAC) and Martha Ellen Stillwell School of the Arts for allowing us to use their facilities for the Convention. TNF GA chapter will be continuing the partnership with Clayton County Public Schools for various initiatives that benefit the students of the school system.

# Cyclone Gaja

Cyclone Gaja devastated the coastal districts of Tamil Nadu in November 2018 especially affecting the people of Thiruvarur, Nagapattinam, Thanjavur and Pudukkottai districts.

## Damages caused by Gaja Cyclone

- 11.3 lakh trees were uprooted
- 1 lakh electric poles were toppled including large transformers
- 2.8 lakh cattle and birds were perished
- 2 lakh houses were damaged in Thiruvarur District
- More than 1.1 lakh houses were damaged in Nagapattinam District
- Totally 5.67 lakh houses were partially/completely damaged

TNF with support from its Chapters, sister organizations and numerous individual donors, extended its support to the affected people.

## Immediate Relief

Provided food, essential items and roof tiles to cyclone affected families in Thiruvarur and Nagapattinam districts.

Organized medical camps in Nagapattinam and Thiruvarur districts with the support of doctors from Government Medical College, Thiruvarur and Meenakshi Mission Hospital, Thanjavur.

Supported the farmers of Lakshmi Narashimapuram Village of Pudukkottai district in clearing the uprooted trees, supplied coconut seedlings and installed solar street lights.

- Food Distributed – 2,000 People
- Relief Materials distributed – 10,507 people
- Medical camp – 2,000 people
- Roof tiles distributed – 1,06,765
- No. of Coconut seedlings distributed – 3,200
- JCB used to clean uprooted trees – 255 hours
- No. of Solar Street Lights – 20

## Renovation of damaged school buildings/ toilets /drinking water facility

Under the ABC Project, TNF has adopted nine Government schools in Thiruvarur and Nagapattinam districts. An immediate assessment of the damages in those schools was made and the requirement of each school was determined. Request from other schools were also considered. Based on the assessment, reconstruction works were undertaken at a cost of Rs. 20 lakhs.

## Construction of Houses

To mitigate the sufferings of the economically weaker sections of Cyclone Gaja victims, the Government of Tamil Nadu has announced the construction of concrete houses under Pradhan Mantri Awaas Yojana(PMAY) Scheme. TNF plans to collaborate with the Government of Tamil Nadu to help 100+ beneficiaries in Nagapattinam and Thiruvarur districts.

Initially, with funding from several sister organizations, TNF plans to construct 100 houses. Families eligible for the government scheme will be provided Rs. 47,000 to help build the foundation for their new house and rest of the construction cost will be obtained through the PMAY Scheme. TNF staff will work with the victims and government officials on the successful completion of this rehabilitation project.

For more details including the list of beneficiaries and supporting sister organizations:

# PATEL BROTHERS®

**"Celebrating Our Food....Our Culture"**

**PATEL  
BROTHERS**

## **Chennai Innovation and Technology Incubation Center Triggers Rapid Start-Up Growth..... (CI-TIC, TNF Center, Kilpauk, Chennai)**

TREC-STEP, Trichy, is a renowned technology business incubator and developmental organization. It is a non-profit organization, promoted by Government of India & Tamil Nadu, and others. Scale-up of key initiatives are supported by NITI Aayog, Atal Innovation Mission Existing Incubation Center (AIM-EIC). In 2018, TREC-STEP commissioned its satellite unit in Chennai, called Chennai Innovation and Technology Innovation Center (CI-TIC). TNF has partnered with NITI Aayog & AMI-EIC to place it in

the Kilpauk premise, Chennai. The strategic intent is to access the vast pool of talent in the greater Chennai region, and to facilitate the Mentor network and vital Investor Connects. The leadership team of TNF USA and India, have demonstrated an abiding interest for this initiative, to groom high potential start-ups among the 1000+ network of Technocrats. CI-TIC houses a state-of-the-art Incubation Space, 35 modern plug and play workstations, high speed internet, breakout rooms, video conferencing facilities, and prototyping facility.

In less than a year CI-TIC has made significant progress. CI-TIC's first cohort of 31 Incubatees has been inducted now – an outcome of careful screening process. Other regular activities include Mentor

Meets, Knowledge Share Sessions, Pitching to Investors, etc.

To kick-start the engagement, an Innovation Grant Challenge was announced. It was aptly named The Chennai NEXT Start-Up Challenge 2018. Promoted in the print and social media, CI-TIC could reach out to a quarter million entrepreneurs. Of the 850 respondents, 135 submitted detailed application. Submissions were grouped into nine emerging technology fields. After 3 rounds of elimination process 25 teams were identified and trained to sharpen their pitch to Investors. The jury consisted of senior members from three investors (Keiretsu Forum, Chennai Angels and Menterra Venture Advisors). Besides identifying the 'Top 10', five CI-TIC Start-Ups were called for 'due diligence' round at Keiretsu Forum; eight additional submissions were requested to further fine-tune their proposal for reconsideration.

Moving forward: CI-TIC is further strengthening its Start-Up Support Network. Technology and Business Mentors from TNF will play an active role in helping the aspiring Start-Ups, focusing on various elements for their potential success, such as their product-market fit, making them attractive to investors, etc.

CI-TIC is located in the TNF Center in Kilpauk, Chennai. We invite you to visit us during your next India trip and encourage you to partner with us to enrich rural Tamil Nadu with your technical skills and business acumen.

## TNF Service and Education Internships

<https://tnfusa.org/internship-overview/>

Initiated in 2014, TNF summer internship provides an unique opportunity for U.S. born youth of Tamil heritage to:

- Link with their ancestral roots in Tamil Nadu
- Volunteer and learn through TNF's educational and humanitarian projects in different parts of Tamil Nadu
- Develop leadership and team building skills

Benefit from TNF's 40+ years of track record in serving needy Tamils

About 100 youth from several states in the U.S. have benefitted from TNF internships. Two of our recent interns share their experience with us.

"During my annual visit to India with my parents, a customary event, I had noticed young girls and women suffering from lack of access to proper sanitary pads to cope with their period every month, which stems from lack of resource and awareness. Based on a report published by CNN in 1917 'Incidents of Reproductive Tract Infection' are 70% more common among women who do not use sanitary pads than those who do. As a part of my Girl Scout Gold Award project, I wanted to address this issue and educate school girls in India about the importance of using pads and hygiene in a person's day to day life. To solve this issue, I raised over \$1,500 through donations and by hosting a charity dinner. In 2018 summer, TNF Internship Program facilitated my visits to two Girl's High Schools, one each in rural and urban Tamil Nadu: Vedaranyam in Nagapattinam District and Ashok Nagar in Chennai. Using the funds, I was able to provide the pads to the students for free and was able to educate them about hygiene and ways to prevent any infections or diseases. I talked and interacted with more than 2,000 students in these schools and gave a presentation about the importance of hygiene and the use of sanitary pads. I was able to distribute over 1000 sanitary pads to school girls from grades 9-12. To ensure the sustainability of my project, I am planning to take advantage of TNF's extensive network in Tamil Nadu and come up with long term solutions to this issue and will continue to work with them to spread awareness about this issue."

**-Shreya Ramesh, 11th Grade, Atlanta, Georgia. Summer Intern (2018)**

"I did my TNF internship in an all-girls school in Chennai. My objective was more to 'observe' how children engage with teachers in the class room and to develop an overall understanding of cultural nuances that enable or impede their learning process. I was quite overwhelmed with the type of hospitality the girls demonstrated in welcoming me to their class. I was in the English Medium class rooms of sixth through ninth grades. Children in India are quite disciplined and respectful of their class teacher. They intently listen to the lectures in the class. Teaching is primarily through lectures (audio) and there are no visual aids accompanying the lecture to enhance or reinforce the lesson. This is an area the schools may want to explore for betterment of the students. One striking difference from the U.S. class room is that Indian teachers are more than willing to repeat a lesson if students have difficulty in grasping it on the first go. On the contrary, in the U.S., we have to approach the teacher after

the class in case we have difficulties in grasping. I was quite impressed with the students' curious nature and wanting to befriend me!"

**-Sreshta Ravi, Charlotte, North Carolina, Summer Intern (2018)**

# Kidney Disease Awareness Project

## சிறுநீரக நோய் கண்டறிய ரத்தப்பரிசோதனை முகாம் (சிகரம்)

SIGARAM is a project that was started by TNF in January 2018. The goal of the project is to screen people in rural communities of Tamil Nadu for kidney disease. Kidney disease and its complications result in significant illness and death even among young and working age population in India due to high prevalence of diabetes, high blood pressure and yet unidentified risk factors.

The first pilot camp was conducted at Rajapalayam in Virudhunagar district during February 2018. In partnership with the local chapter of the Indian Medical Association, over 200 people were screened for

kidney disease along the lines of the KEEP (Kidney Early Evaluation Program), which was pioneered in the USA by the National Kidney Foundation many years ago. All the participants had basic measurements including height, weight and blood pressure check done by nursing staff. They subsequently had their blood drawn and urine sample tested on-site by lab professionals from local hospitals. Results were available within a few hours. All the participants also attended a 'Kidney Disease Awareness' seminar in which medical professionals educated them on the role of kidneys in health/disease and ways to avoid kidney damage.

The second camp was conducted in February 2019 at Mullukurichi village, in the foothills of the Kollimalai Hills in Namakkal district. Over 100 villagers participated and underwent screening along the lines of the earlier camp in 2018.

After screening over 300 people in predominantly rural communities of Tamilnadu over the last 2 years, it was fairly evident that there is a considerable amount of uncontrolled diabetes and high blood pressure among the participants. There is also a small, yet significant, fraction of people with early kidney disease as reflected in their blood and/or urine testing. We also found that a fair number of people had high blood sugars (with no prior history of diabetes), and those with high blood pressure did not have optimally controlled blood pressure. Also, close to 30% of the screened population was using NSAIDs, a popular class of painkillers that can cause kidney damage.

These are important facts that became evident in the screening of the rural population in two different areas of Tamilnadu. Many of the aforementioned issues (uncontrolled diabetes, high BP and painkiller use) are all risk factors for progressive kidney disease in a vulnerable population. Interestingly, a fair number of people screened were aware of kidneys and kidney failure, as they had heard about it in the media when it affected political figures and actors in the state.

Kidney failure is an expensive condition in terms of physical, emotional and financial burden to patients and their families. Treatments such as dialysis and transplants are affordable for only a very small population.

It would be best to prevent this disease in the first place or slow down its progression with medications/diet when diagnosed early. Screening camps such as SIGARAM play a pivotal role in realizing this objective. We plan to conduct such camps in rural, underserved areas of Tamilnadu over the next many years with the support of our donors.

We will gladly welcome donors who

want to sponsor these camps in their ancestral villages and any volunteering by medical/allied professionals in future camps.

This Project is sponsored by TNF Connecticut Chapter and lead by Dr. S. Niranjana, Nephrologist and Chairperson, TNF Connecticut Chapter. To learn more and to support the project please contact Dr. Niranjana at: [snajnarin@yahoo.com](mailto:snajnarin@yahoo.com)

#### MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of understanding for implementation of Tamil Nadu Foundation Academic Bridge Course Project is entered into on this .....08<sup>th</sup> day of ...March 2019

By and Between

**Tamil Nadu Foundation Inc. TN Chapter** (TNF) herein after, referred to "TNF" currently having its office at No: 27, Taylors Road, Kilpauk, Chennai - 600 010. (herein referred to as the "**First Party**") represented by its Chairman, Thiru. S. Rajarethinam, I.A.S., (Retd) which expression shall include its successors in interest and representatives of the first party.

AND

The **Directorate of School Education**, represented by its Director **Dr. V. C. Rameswaramurugan** at DPI Campus, College Road, Chennai, TN - 600 006 (hereinafter referred to as the **second party**) which expression shall include its successors in interest and representatives of the second party.

For TNF INC. TN CHAPTER

Director of School Education  
Chennai-600 006

Chairman

**Whereas:**

This MoU entered between the **First Party** and the **Second Party** on the terms and conditions detailed hereunder:

- a. Tamil Nadu Foundation, Tamil Nadu Chapter a registered Charitable Trust since 1983 focusing on Education is functioning according to the Foreign Contribution Regulation Act (FCRA) 2010 and Rules and Income Tax (IT) Act 1982 and Regulations.

The **First Party (TNF)** involved in Education Enhancement Project namely Academic Bridge Course (ABC) that seeks to provide coaching for Academically Backward students, Improving Infrastructure facilities, Conducting awareness camps, Providing Digital classroom facilities, Conducting Soft Skills Training, College exposure visits and Job oriented Skill Development Training to students and such other relevant activities connected with the School Education System introduced by the Government.

- b. The **Second party** is the Director of School Education under whose jurisdiction and control, the state government schools lie.

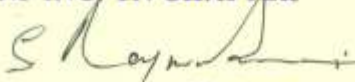

**NOW THIS MOU IS EXECUTED TO FACILITATE A JOINT INITIATIVE AS FOLLOWS:**

**I. Role of the first party:**

- A. First Party identifies non achievers and conducts Academic Bridge Classes (ABC) to 6<sup>th</sup> to 8<sup>th</sup> class students in Government Schools selected in consultation with the Chief Educational Officer / District Educational Officer of the District concerned and also special coaching classes for class 10 students.
- B. Based on partnership with donor organisations, the First Party will conduct its programmes in Government Schools with easy access to the students and teachers for conducting such programmes on a regular basis in the selected schools.

  
**Director of School Education**  
**Chennai-600 094**

**For TNF INC, TN CHAPTER**

  
**Chairman**

- C. Conducting Teachers Training Programmes at Tamil Nadu Foundation campus and / or at the Project School.
- D. The First Party will also conduct Coaching classes, Awareness camps, Skill Development Programmes, College Exposure visits and other relevant activities for the benefit of the students.
- E. Cost of the above mentioned programmes will be borne by the first party (Tamil Nadu Foundation), in **partnership with potential donors. The Programmes / Projects will be run for a specified period till funds are available for such programmes** In addition, specific programmes may be funded by Government of TN under its educational initiatives.
- F. Continuance of the Project activities in the selected schools is subject to the funding support received from the Donors and also on the outcome of the impact assessment periodically done by the First Party.

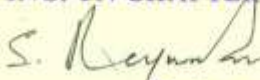

## II. Role of Second Party:

To enable the **First Party** to provide support to enhance education and training to the students and teachers of State-run Government Schools:

- a. the **Second party** hereby agrees and acknowledges that the First Party as an education based NGO and to provide necessary permission to the first Party to run its programmes in the selected school premises.
- b. the **Second party** shall provide necessary support by providing classroom space with utilities (Power, Water, Toilets etc.,) for conducting Academic Bridge Course (ABC), Digital Class rooms, Teachers Training Programmes and awareness programme in school premises.
- c. The **Second party** shall intimate to the Educational authorities in their jurisdiction to enable the first party to conduct the programmes without delay and to give the maximum benefit to the students.

  
Director of School Education  
Chennai-600 004

For TNF INC. TN CHAPTER

  
Chairman

### III. TERM AND TERMINATION:

1. The duration of this MOU shall be for a term of five years (5) commencing with effect from the date of execution of this MOU. This MOU shall be automatically renewed unless and until specifically revoked in writing by either of the Parties, two (2) months before the expiry of the term agreed herein.
2. Either of the Parties may be entitled to terminate this MOU by giving two (2) months advance notice in writing to the other.
3. As the First Party is conducting several programmes funded by different donors for different tenures, programmes will be initiated and terminated based on the availability of the funds.

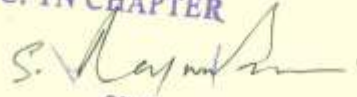

### IV. Teacher training program

#### In order to achieve the objectives:

- a) Second Party shall depute Govt. School teachers from Tamil Nadu over the next 5 years for a **4/5 days** per teacher training workshop. Subject to availability of funds/sponsorship and support from **potential donors**, it is envisaged that the programme will be scaled up over the years.
- b) To ensure prompt and efficient program implementation **Second Party** shall draw up a list of Schools from each district for ABC Classes and students selected from 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> classes.
  - i. Minimum of 30 students per teacher. Teachers with required qualification for coaching the students under Academic Bridge Course (ABC) Project will be selected by the Headmaster of the Project School and appointed by the PTA.
  - ii. Students of class 10 be permitted to participate in the two days soft skill training conducted in their schools and also for exposure visits to higher Educational Institutions.

  
**Director of School Education**  
Chennai-600 006

**For TNF INC. TN CHAPTER**

  
**Chairman**

- c) The **Second Party** will designate a local official to coordinate with **First Party** and ensure successful implementation of the programmes.
- d) The programs will be funded and managed as an independent activity by the **First Party** through designated personnel.
- 1) **First Party** will submit Annual progress reports to the **Second Party** on the performance of the students being coached at the school campus.

**V. Miscellaneous:**

- a) This agreement is subject to force majeure clause.
- b) **First Party** and **Second Party** will work together to ensure the success of the program. This may involve ongoing development or enhancements to increase the quality and reach of the program.
- c) The success of this program will depend largely upon the cooperation and commitment of Government school teachers. First Party is confident that in the light of MOU, the Second Party will render all support to First Party to make these initiatives a huge success. The program is expected to positively impact students and enhance their creativity and involve themselves in learning process.
- d) It is understood that the success and impact of educational programs like this one can be seen only over an extended period of time of few years and depends on the successful infusion of the program goals and pedagogy into the education system. First Party's role is to supplement the existing State Primary and Secondary Education system to upgrade its quality. The program does not intent to substitute the existing curricula or system in any way.

For TNF INC. TN CHAPTER

  
Chairman

  
Director of School Education  
Chennai. INDIA

- e) This MOU shall be final and mutual understanding between the parties and any changes if any, to this MOU shall be made by an addendum in writing duly executed by both the parties.
- f) This MOU shall be governed by the laws of the Republic of India and Hon'ble Courts at Chennai shall have exclusive jurisdiction.

## The Growing Branches of the TNF Tree

### A TNF Chapters Report

The recent growth of TNF USA is mainly due to its vibrant chapters across the U.S. Just like a beautiful tree is defined by its many green branches, the various chapters bring in awareness, projects and support to the organization. The following is the list of our chapters and highlights on each one of them. Please contact [vpchapters@tnfusa.org](mailto:vpchapters@tnfusa.org) for any questions related to the chapters or if you want to start a chapter in your area. For more information on the chapters visit [www.tnfusa.org/chapters](http://www.tnfusa.org/chapters)

**Austin Chapter:** TNF Austin Chapter was formed in 2014. They have adopted Coimbatore as their sister district. They have adopted three schools in Coimbatore area. An energetic new team has raised funds through a drama program in March 2019.

**Bay Area Chapter:** San Francisco Bay Area Chapter has conducted several information sessions. They have adopted Chennai district as their sister district and will help raise funds for the district.

**Greater Boston Chapter:** The Greater Boston Chapter organizes walkathons and has raised funds for scholarships and to support ABC projects.

**Central Florida Chapter:** The Central Florida Chapter organizes information sessions and meetings to promote TNF among the local community.

**Central Ohio Chapter:** Based in Columbus, the Chapter conducts annual walkathons, Tennis and Table Tennis Tournaments to raise funds for the ABC Schools in Nagapattinam district, their sister district. The youth from the Chapter have started the Birthday/Special Occasion project whereby the youth request friends and family to donate money to TNF projects instead of presents for the special occasion day.

**Chicago Chapter:** The Chicago chapter has adopted Cuddalore district as their sister district. They support the ABC project in the district and women's empowerment project in TNF Chennai Center

**Cleveland Chapter:** The newly formed Cleveland Chapter conducted several events in 2018-19 to bring more visibility for TNF in Cleveland area.

**Connecticut Chapter:** The Connecticut chapter has successfully conducted two Kidney Disease awareness programs in rural Tamil Nadu. They plan to conduct a dance program this year to bring awareness about TNF and to support the district focused TNF projects.

**Dallas Chapter:** The Dallas Chapter organized a dance program to support Anbalayam and to bring awareness about TNF.

**Georgia Chapter:** Atlanta based Georgia Chapter funds eye camps in Tamil Nadu. They are hosting the TNF National Convention in May 2019 to help raise funds for " Mann Vaasanai" a district focused fund raising program.

**Houston Chapter:** They have adopted Thiruvavur district as their sister district. The Chapter has conducted Children's Day, Valentine's Day and Thirukkural competitions. Their annual Mother's Day program is well organized and raises funds for the ABC schools in Thiruvavur District.

**Indianapolis Chapter:** In partnership with the Tamil Sangam of Central Indiana the Chapter has raised funds for Anbalayam, home for special needs children in Sirkali. Students at the Indiana University dedicated their annual dance competition program to raise funds for the TNF ABC program.

**Michigan Chapter:** The Michigan Chapter supports ABC Schools in Namakkal and has adopted Namakkal as its sister district. The Chapter has taken a leading role in promoting the TNF Service and Education Internships through its Tamil Schools and annual fund raising events.

**Milwaukee Chapter:** The Milwaukee Chapter has supported flood relief efforts in Chennai, Andra Mahila Sabha in Chennai, Swedish Mission Hospital in Thirupathur and eye camps in Kandanur in Sivagangai district.

**Memphis Chapter:** The Memphis Chapter has adopted Ramanathapuram as its sister district. The chapter organizes walkathons and Valentine's Day event to raise funds for ABC projects.

**New Jersey Chapter:** The New Jersey Chapter hosted the 44th National Convention and raised a significant amount of funds for Kanavagam, a home for destitute girls near Karaikudi, and for the various districts in Tamil Nadu. The Chapter has raised funds for several initiatives such as Anbalayam, flood relief, and for the Gurukulam in Vedaranyam.

**New York Chapter:** The New York Chapter has adopted Vellore as its sister district. The Chapter supports schools in Vellore and Namakkal Districts. The Chapter was the first one to celebrate Mother's Day among all the TNF Chapters.

**Oklahoma Chapter:** Tulsa based Oklahoma Chapter has organized information sessions to bring awareness and to support the TNF projects.

**Philadelphia Chapter:** The Philly Chapter has adopted Sivagangai as its sister district. Funds raised by the Chapter when it hosted the TNF National Convention in 2010 helped to pilot the ABC program which has evolved as the flagship project for TNF. The Chapter was instrumental in raising funds to buy the land and build the main building for Anbalayam, a home for orphaned special needs children in Sirkali.

**Phoenix Chapter:** The Phoenix Chapter has conducted information sessions to promote TNF and to bring awareness for TNF projects.

**South Florida Chapter:** The South Florida Chapter has adopted Salem district as its sister district. In the past they supported three schools in Nagapattinam district. The chapter organizes an annual Valentine's day banquet to raise funds and has conducted walkathons.

**Washington D.C. Chapter:** The Chapter has adopted Thirunelveli and Thoothukudi districts as its sister districts. It has also raised funds for flood and cyclone relief.

**Western Pennsylvania Chapter:** Pittsburgh based Western Pennsylvania Chapter is one of the oldest Chapters. Funds raised by the Chapter during the 2008 TNF National Convention were used to pilot a school education program which helped create the successful ABC initiative.

**DO YOU KNOW? தெரியுமா?**

**TNF works inside the government schools during school hours to supplement and enhance the educational standards of the most underprivileged students in Tamil Nadu?**

During the 2018-19 Fiscal Year TNF USA reached 3 major milestones:

- Greater than \$1 Million in total donations received by TNF USA
- Exceeded \$ 1 Million level in donations, even after excluding donations received for natural disasters like Cyclone Gaja and Kerala Floods
- \$ 1 Million (from the total donations received) sent by TNF USA to TNF Tamil Nadu Chapter for implementing projects

All this was possible because of the generosity of our donors, teamwork and dedicated volunteering by TNF Chapters and sister organizations. We are grateful to all of you for your compassion and generosity and for the confidence you have in TNF.

## Libraries are Temples...

திரும்பத் திரும்ப பிரிக்கப்படும் பரிசு - நூல்

"I am one of the oldest members of the Ashok Nagar Library. This library caters to the needs of residents of West Mambalam, Ashok Nagar and K.K. Nagar. Its function was heavily crippled by the 2015 floods and the whole community was at a loss. TNF in partnership with Michigan Tamil Sangam and Michigan Indian community has changed all that! They have rebuilt each and every section of the library, adding an enhanced wing for children and providing scores of new books catering to students and adults. The library is nicely compartmentalized with sections for fiction, non-fiction, literature, children's books, computers, etc. Children, instead of playing with cell phones, are seen more now in our library. The resources provided to those preparing for college entrance exams, government administrative (IAS, IPS) exams are commendable."

-Mrs. Uma, Member, Ashok Nagar Library

## TNF has Given Me a Jump Start!

தையலுக்குத் தன்னம்பிக்கைத் தரும் தையல் கருவி

"My husband is a call taxi driver and his earnings even from long hours were not sufficient to take care of our family of four. I want to provide the best education for my two daughters who are in elementary school. I wanted to explore a profession of my own that I could manage without compromising my family duties. TNF has given me a jump start! I signed up for TNF's six-month tailoring school and quickly mastered the techniques for routine tailoring work of stitching children's clothes, women's garments, etc. I now earn Rs.3,000 a month, which helps with our family expenses and has reduced the financial stress of my husband."

-Mrs. Jeevitha

## No Child Left Behind...

நனவான கனவுலகம் - TNF கணினி வகுப்பகம்

"Until very recently, when I travelled in school bus, I used to be overwhelmed with a sense of inadequacy when boys attending private schools would flaunt with their computer proficiency. I no longer feel left behind, as I am able to fully exploit the resources offered in our TNF Digital Class Room. By accessing online courses, (which are now available in Tamil as well as English) my marks have increased from 54 in the first term to 87 in the second term. I am confident I will have a perfect score of 100 in the third term. Thank you for making government school students like me feel good about our school and ourselves."

-Lakshmi, 7th standard, Government Higher Secondary School, MMDA Colony

TNF Bay Area (San Francisco) Chapter has adopted Chennai as its sister district

## TNF Projects In Chennai District

Project Name (Funded By)	Name of the Beneficiary	Area	Period	Amount (in Indian Rupees)	Beneficiaries

TNF's flagship ABC Education Initiative focuses on enriching and empowering the under privileged students in government and government-aided schools. The three major components of the initiative are:

**A - Achieving grade level proficiency**

**B - Boosting the morale**

**C - Championing for higher aspirations**

**For more details: <https://tnfusa.org/abc-project/>**

# Coimbatore District

## Inner Peace Through Music ... இசையும் மன அமைதியும்

"I am the proud holder of a Certificate in Music from the Royal School of London. This would have remained an unattainable dream but for the support from TNF through my training at the Coimbatore Music School and the subsequent assistance in applying to the Royal School of London. Music enables me to find like-minded people and provides me inner peace as I traverse through my busy life."

- Ms. Janani, former student at Coimbatore Music School

## Three Generations of Service... மூன்று தலைமுறைகளாக கல்வியில் சேவை

"Mr. Nambi Porchezian's grandfather donated 13 cents land to our school and enrolled his daughter in the school. Mr. Porchezian who is now settled in the U.S. visited our school and interacted with the students discussing about education systems in the U.S. and in India. His mother unfailingly visits her Alma mater every time she visits India. She has followed her father's footprints on generosity and has helped build a dining hall for our school. We are grateful to this family for three generations of generosity and service to our school."

- Mrs. Ramathal, Head Mistress, Jalattur High School, Pollaachi.

## Passion in Music... இசை என் மூச்சு

"While most want to study Engineering or Medicine or Information Technology, my passion was in Music. I was able to pursue that passion because TNF provided financial aid to cover my tuition for three years at the Coimbatore Music School. Now, I hold a respectable job as an on-line Math Tutor and continue to enjoy music."

- Ms. Krithika, former student at Coimbatore Music School

TNF Austin Chapter has adopted Coimbatore district as its sister district.  
Austin Chapter Chairperson can be contacted at [austin@tnfusa.org](mailto:austin@tnfusa.org)

# Cuddalore District

**“It takes hands to build a house, but only hearts can build a home”**

**கரங்கள் கட்டலாம் கல்மண் வீடு ; கனிவுள்ளம் மட்டுமே கட்டும் அன்பான இல்லம்**

“My family and 43 others in our village are indebted to TNF and its sister organizations for generations to come for what they have done for us. The floods during 2015 were a blessing in disguise for us. Until then, we were living in huts along the road side with no basic amenities like water and electricity. TNF has changed all that and now we live in a colony and my house has a kitchen, living room, toilet, electricity and running water. Tamils in America may think they built us houses with their money, but they have really built us homes with their hearts.”

**-Ms. Deivamalar, Saathamangalam, Cuddalore District**

**TNF gave us access to the Government...**

**கடலூரை மீட்போம்**

“Our future looked bleak after the 2015 flood, until TNF came to our rescue. TNF worked with the local Block Development Office in getting lands ready to build homes for 23 families who lost their huts. Their Engineer donated his time and helped build high quality houses for us. His team built the houses as though they were their own houses. We now live comfortably in concrete houses with street lights and clean roads and that's because of not just the generosity of USA Tamils but also the ability of TNF Chennai staff to effectively work with the Government and local organizations that are not easily accessible to poor families.”

**-Ms. Ester, Saathamangalam, Cuddalore District**

“I am very impressed by Tamil Nadu Foundation's focus on government schools. NRI Tamils focus in giving back to Tamil Nadu through TNF is commendable.”

**-Mr. Banwarilal Purohit, Honorable Governor of Tamil Nadu, while launching TNF's “Mann Vaasanai” at the Music Academy on February 20, 2019**

TNF Chicago Chapter has adopted Cuddalore district as its sister district.

### TNF Projects in Cuddalore District

Project Name (Funded By)	Name of the Beneficiary	Village / City	Period	Amount (in Indian Rupees)	Beneficiaries

## Feeding 1,800 Children...

விதையோ சிறிது ; விளையும் மரமோ பெரிது

"I am a driver by profession and my passion is to help children. In our district, there is one Child Care Center for every three villages, a total of 178. These centers tend to the children during day time when their parents are away from home, toiling as day laborers to make a living. Over the years TNF, in collaboration with Titan Industry, has provided over 320 gas stoves that enables the centers to cook fresh meals for these children. Additionally, TNF has also provided cooking utensils, serving plates, glasses, and mats for our children to take an afternoon nap. There are 10-15 children of 3-6 years age group in each center; 1,800 children are benefitting from this major initiative, and I am extremely happy to be a part of this effort. Providing a seed money of 300 Rupees to start a bank account for high school children is the brain child of TNF. Parents then supplement it with a committed monthly contribution of 50-100 Rupees, which grows to a modest amount by the time the student matriculates and goes to college. This bank account is leveraged for a student loan to pay college tuition fees. One such success story is a girl who benefited from this scheme, got her Medical degree and is practicing in our district!"

-Murugan, Rural Improvement for Global Humanity Trust (RIGHT), Somanahalli, Palakkodu Taluk

## TNF Savings Scheme Helps Ms. Vidya become Dr. Vidya!

தருமம் உருவாக்கிய தருமபுரி மருத்துவர்

TNF has been supporting students studying in Government Schools (from 9th Standard) to open savings account in a nationalized bank by depositing Rs. 300. These students become a regular customer of the bank by depositing savings in the account and thereby become eligible for getting educational loan for higher studies.

**Dr. Vidya** is one of the beneficiaries of TNF who received such a loan and completed her M.B.B.S course. Now she is working as a Doctor in one of the Primary Health Centres in Dharmapuri District. Her brother and sister also received similar support from TNF.

**We thank Dr. Varalakshmi Niranjan, TNF Board of Director, for the Tamil titles to the testimonials in each district.**

**YOUR ADVENTURE AWAITS!**

# Dindigul District

Love From Far...

பல்லாயிர மைல்களுக்கும் பாயும் தொண்டு

"Students in our elementary school now have shoes to wear, are improving their health by exercising on yoga mat, and have access to computers. The whole ambience of our school is more colorful with a fresh coat of wall paint and all this is because of one generous person who loves his native village. Thank you Dr. Krishnaswami for thinking of us despite living 10,000 miles away!"

- Mrs. A. Veeramani, Headmistress, Panchayat Union Primary School, Kannadampatti

**DO YOU KNOW? தெரியுமா?**

TNF's 'Smokeless Stove' project was embraced by the Government of Tamil Nadu and became a statewide government initiative in all Anganwadis (day cares) to prevent smoke pollution from wood stoves?

# Erode District

## Empowering Students in Honor of Kamaraj...

### காமராசர் கண்ட கனவு

"Our alumni and TNF Life Member Dr. Dhakshinamurthi has supported our school since 2005. On July 15 of every year, coinciding with the birthday of legendary Kamarajar, we give scholarships to students for college education with funds received from USA. Well-equipped library, walkway providing easy and safe access for students, computers, parapet walls surrounding the school premises are some of the major contributions made by American Tamils to our school."

-Mr. Dhanasekar, Computer Teacher, Vinoba Bhave Government Higher Secondary School, Thalavaipettai

## One Person Can Make a Difference...

### கூரையை வேய்ந்த கொடையாளி

"Mr. Senguttuvan, a TNF Life Member from Pennsylvania, has made our school life more enjoyable. We now have proper roof over our head in the classrooms, desks and uniforms."

-A.Rithanya, Panchayat Union Elementary School, Pungambadi Panchayat, Chennimalai Union

# Kancheepuram District

Self Confidence...

மனதில் உறுதி வேண்டும்!

"I am proud that I have now started contributing to my household expenses with the money that I make from tailoring jobs. Until recently I felt helpless as a housewife constrained by my domestic responsibilities and lack of any professional skills. TNF has changed that, for the better. The free tailoring classes offered by TNF has given me new tools to make money at my own convenience. More than money, the tailoring job has increased my self-confidence."

- Mrs. Sathiya Aparlekha, Kancheepuram

School is not just about books and computers...

வாங்க படிக்கலாம் வாங்க!

"It is the non-academic essentials that make school life more enjoyable for students. TNF has focused on those needs in our school by funding for water pumps, indoor games like carrom board and chess, and good sound system for music and lectures."

- Mr. Sundaramoorthy, Head Master, Government High School, Perumbakkam

புத்தரை நல்லவர் யார்? கெட்டவர் யார்? என்று கேட்ட போது,  
மற்றவர்களைப் பற்றி கவலைப் படுபவர்கள் நல்லவர்கள் என்றாராம்.  
அமெரிக்காவில் வாழ்ந்தாலும்  
பிறந்த மண்ணை மறவாது ஏழைத் தமிழ் பிள்ளைகளின்  
கல்விக்கு உதவும் நீங்கள் நல்லவர்கள். உங்கள் பணியை,  
ஈகைப் பண்பை மனதாரப் பாராட்டுகிறேன்.  
தமிழ் நாடு அறக்கட்டளையின் நற் பணிகளுக்கு  
என் வாழ்த்துக்கள்,  
நன்றிகள்.

- சொல்வேந்தர் சுகி சிவம்

# Kanyakumari District

மண் காக்கும் விவசாயி மகன் மெய் காக்கும் மருத்துவன்!

"I hail from a farmer's family living in a remote village in Kanyakumari District. Even as a child, I dreamt of becoming a Medical Doctor. After graduating from High School in 2016, I was quite excited when I got admission in Kanyakumari Government Medical College. My father's shrinking financial resources from farming were inadequate to meet all the associated expenses of boarding, lodging, college tuition fees, textbooks, etc. I was afraid I will have to drop out of medical school and not be able to fulfill my dream. My school teacher, Jyoti Madam, introduced me to TNF. Thanks to TNF's educational scholarships, I am now all poised to successfully complete my third year in medical college and am confident that in two years I will be able to graduate and go back to my native place and set up a practice."

- Ramanujam, Third Year Medical Student, Kanyakumari Government Medical College

Neonatal to Postnatal Care...

கண்ணை கருமணியே தாலேலோ!

ATMA Health Project

““Healthy Children Brighter Future” initiative was conducted in 2013-14 to help pregnant women living in remote villages of Krishnagiri District with a comprehensive review of their journey in to motherhood. It covered prenatal, neonatal and post-natal care for the baby. This was an outreach project of Pallavaram Children Medical Center. an American Tamil Medical Association and TNF jointly sponsored this project, supporting the visit of trained staffs to villages and providing the tutorial.”

-Nurse Amudha, Krishnagiri

**Cyclone Gaja Victims Get Government Grants...**

**கட்டுவோம் வீடுகள் கஜா புயல் பகுதியில் !**

Vijaya

Saroja

"TNF is not new to our area just because of Cyclone Gaja. Our village school has been adopted by TNF and the TNF Project Coordinator lives in our village, so we are aware of the good work TNF does all over the district. It is daunting for villagers like us to take advantage of government schemes announced for flood victims to rebuild their houses. TNF gave the initial funds needed to lay the foundation, took pictures, submitted necessary documents to the Block Development Office and helped us get the government funds to continue with the construction. This will enable us to move from huts to concrete houses and safely face future storms".

**-Cyclone Gaja victims in Ettukudi**

Vadivelu

**One Bathroom for 65 Special Needs Children...**

**அன்புக்கும் உண்டோ அடைக்கும் தாழ்!**

"I started Anbalayam in 1998 as a safe home for children with mental challenges. A dilapidated hallway with one bathroom (for 65 children) was our home but TNF Philadelphia chapter changed that for good and forever with a four-ground facility that now includes classrooms, four bathrooms, separate building for boys and first floor for vocational training. Stage Friends (USA), American Tamil Medical Association, Sastha Tamil Foundation, Tamil Sangam of Central Indiana and hundreds of donors from USA were introduced to us by TNF and thanks to all of them, the living conditions of our children and caregivers have dramatically improved. We invite you to come and visit our children and see the impact of your generosity."

**-Meera Bai, Founder, Anbalayam, Sirkali, and Ms. Sumathi, Special Education Teacher, Anbalayam**

# Nagapattinam District

Perfect Score...

எட்டுக்குடி மாணவர்களின் ஏற்றமிகு தேர்ச்சி - நூற்றுக்கு நூறு!

"Since 2014, we have partnered with TNF to enhance the academic standards of our students and we reaped the benefits of that in 2018 when our school achieved 100% results in 10th standard public exams. Only a few schools in the state achieve this distinction and we did it because TNF helped our academically challenged students to gain grade level proficiency and the confidence to face public exams."

**-Mr. Singaravelan, Head Master, Government High School, Ettukudi, Nagapattinam**

## Kidney Disease Awareness Camps...

நோய் நாடி நோய் முதல் நாடி

"I live in a remote village in the foothills of KolliMalai. Recently, TNF conducted Kidney Disease Screening Camp in the Government Higher Secondary School. The doctors did a complete physical test and arranged for blood and urine analysis. I was diagnosed with heart disease and was referred to the Government Hospital for further treatment. The early diagnosis has helped to prevent complications."

-Ms. Lourd Mary, Mullukuruchi

## கனவு மெய்பட வேண்டும்

### TNF ABC Project – A God Sent Gift!

"As a school teacher for 30 years, I used to feel helpless watching the plight of my students as they struggled to graduate from 10th standard and go to Plus Two level. Dejected in life, many of them will drop out of school and settle for menial labor. The ABC program, administered by TNF, has been a God given boon for us. TNF-appointed teachers have unique teaching methodologies that quickly help my students to master both written and spoken language skills and improve in other subjects. Last year 85-90% of students in 10-12th standards passed, an impressive improvement considering what it used to be (60-70%) in the past. About one-third of our students in 6-9th are now enrolled in the ABC program. I hear similar success stories from our partner school for girls in Mullukuruchi, as well."

-Mr. Kamaraj, Head Master, Government Tribal Residential (Boys) Higher Secondary School, Mullukuruchi

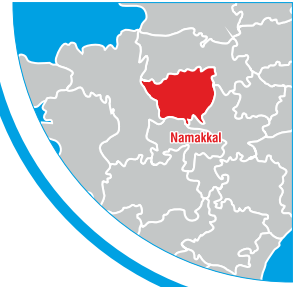

ஈத்துஉவக்கும் இன்பம் அறியார்கொல் தாமுடைமை  
வைத்து இழக்கும் வன்கணவர்?

Don't they know the joy of giving  
Who heartless hoard and love their wealth?

- Thiruvalluvar

TNF Michigan Chapter has adopted Namakkal District as its Sister District. High School students from the U.S. visit rural areas of the district each year to volunteer as part of the TNF Service and Education Internships.

# Perambalur District

**மலர்செல்வன் உதவியில் மலரும் பள்ளித் தோட்டம்!**

“It is hard to capture in words how happy I feel as a teacher to see class rooms filled to capacity, with children busily engaged in learning. This was not the case until recently. We had fewer class rooms, with no furniture, nor any modern education tools. Things have changed now – for the better, because of Mr. Malarselvan, a TNF Life Member from Houston. We now have new class rooms, with furniture and computers. These new amenities have made our school more appealing to the children and attracting new students from neighboring.”

**-Mrs. Ananthanayagi, Head Mistress, Government Higher Secondary School, S. Aduthurai, Veppur Block**

# Ramanathapuram District

No Question is Too Trivial...

அகர முதல எழுத்தெல்லாம்

"We live in a very remote and coastal area. Most of the students in our school are children of fishermen. As sixth standard students, we felt totally inadequate with very low proficiency in languages as well as Mathematics. From being able to recite alphabets and read numbers, we have now acquired skills to read coherently and tackle simple math problems! "No doubt or question is too trivial" says our TNF ABC teacher and that makes learning more enjoyable. We are surprised and grateful that those living in America care for us living in a far away place in Tamil Nadu."

-Beneficiaries at Government Higher Secondary

TNF Memphis Chapter has adopted Ramanathapuram District as its Sister District.

## STANLEY MEDICAL ALUMNI USA & STANLEY MEDICAL ALUMNI SCHOLARSHIP TRUST

**SINCERELY THANK  
TAMIL NADU FOUNDATION**

For its unwavering support of our scholarship program to benefit medical students in need of financial aid

# Salem District

## குளிர் காத்த கொடை நாற்காலி!

“Yercaud, a famous hill station in Salem District, is a major attraction for tourists. But many parts of the area are quite backward. Temperature in the winter months can dip to 10°C, which may be attractive for tourists but quite unbearable for students like me wearing just a school uniform! Sitting on the cold concrete floor all day and attending classes is quite a challenge for me and my classmates. TNF has graciously furnished our classrooms with chairs and desks and made our school life more comfortable and enjoyable so that we can better focus on our studies.”

-Bhuvaneswari, 8th Standard, Panchayat Union Middle School, Muluvi, Yercaud

## மின்னஞ்சல் வசதியில் மிளிரும் முருவி !

“Through the Successful School Project and ABC Project, TNF has provided computers enabling students from first standard onwards to become conversant in its use, drafting emails, typing in Tamil and English, searching website for information, etc. Provision of inverter help uninterrupted usage of computers. A dedicated computer science teacher has been appointed by TNF to encourage students. A fair number of students in every class lag behind the rest due to lack of proficiency in languages. TNF has appointed teachers who have changed that, helping these students to catch up with others in their respective classes”.

-Mr. Manivannan, Teacher, Panchayat Union Middle School, Muluvi, Yercaud

## கொங்கு தமிழ்ச் செல்வியவள் கொண்ட குறிக்கோள் !

Dreaming to be a Journalist...

“Coming from a village background and poor family, studying in Matriculation School was beyond my reach. The Gift Foundation and TNF provided me scholarship and that has motivated me to do extremely well in studies. My dream is to become a Journalist.”

-Vidhyasri Rajendran, 9th Standard, AGN Matriculation Higher Secondary School, Konganapuram

## TNF Projects in Salem District

Project Name (Funded By)	Name of the Beneficiary	Village/City	Period	Amount (in Indian Rupees)	Beneficiaries
School Education (GIFT Foundation)	Rural Students	Konganapuram	Since 2009 ongoing	12,786,406	1900 Students

# Sivagangai District

**Beneficiaries of TNF ABC Project and their Award-Winning TNF Teacher Mrs. Vallimayil**

**முன்றாவது கை- அது தன்னம்பிக்கை: தருவது தமிழ்நாடு அறக்கட்டளை**

Illiteracy to Self-Confidence...

"All of us suffered from similar disadvantages when we joined 6th standard – inability to write full sentences in Tamil and English, no foundation in grammar, weak in mathematics, lacking confidence to stay abreast with other class students. We were quite fortunate to be selected for the ABC program based on the diagnostic test given by TNF. After regular coaching from TNF teachers, we rapidly progressed in our learning and most of us have matriculated to regular class rooms. We are confident to clear the final exam in tenth standard and continue studies in the +2 classes. ABC teachers employ unique style of teaching, which is not intimidating, nor punitive. We are grateful to TNF and sincerely hope students in similar plight across the state benefit from this great initiative."

**- Beneficiaries of TNF ABC Project at Sathappa Government Higher Secondary School, Nerkuppai**

**நூலகம் ஓர் ஆலயம்**

"I and my school friends immensely benefit from Somalay Memorial Public Library. The library provides free access to computer, internet and books on various topics. TNF encourages students to frequently use the library by conducting various competitions and rewarding books as prize for winners. My general knowledge and aptitude to read have increased because of the resources in our library and the summer camp organized during the month of May each year."

**- Priyadharshini, 7th standard, Nerkuppai**

TNF Philadelphia Chapter has adopted Sivagangai District as its Sister District.

# Sivagangai District

Running to Win!

ஓடும் கால்கள் அவை ஓயாது !

“My father passed away, my mother and elder sister are mentally challenged. My younger sister and I live in Kanavagam. I love sports but did not get the proper training until I found a home at Kanavagam. Recently I won the first place in 400-meter race at the district level and 5th place in 600-meter race at the state level. My goal is to become an IAS officer and help others.”

**-Anandhi, Resident at Kanavagam, Home for destitute girls, Kundrakudi**

# Thanjavur District

வண்ணாரப்பேட்டைக்கு வண்ணமிகு சீருடை !

“The objective of Mother India Primary School founded 28 years ago is to provide quality education through English Medium to the 120 underprivileged students we serve. Our staff takes pride in the unique teaching methodology that we use as it has resulted in excellent results. We have constantly faced two challenges in running the school – lack of proper uniforms/footwear and resources to cover tuition fees. I approached TNF, having learnt about their support for education across the state. With TNF's assistance, we have addressed both needs, which has helped me and my staff to focus on educating the children.”

**-Mrs. Nirmala, Founder/Principal, Mother India Primary School, Vannarapettai, Thanjavur**

What's the connection between Geneva and Theni District?

தேனியைத் தேடிவந்த ஜெனீவா!

Kitchen Filled with Smoke

Smokeless Kitchen

"TNF is not new to Theni District. TNF has enabled Geneva-based Friends of India, under the leadership of its Founder Ms. Pamela Wash, to implement the following projects:

- Vocational training programs (tailoring, computer training) for 60 youth
- Sheep and goats were provided to 29 tribal families for sustainable family income
- Benches and drinking water tubs for 5 Government schools under "Namakku Naamay" Scheme
- Smokeless stoves to 1,050 Anganwadi Centers
- Enabling bank loans for higher studies
- Eye camps that benefitted 1,000 people

Thus, since 2006, TNF has contributed in all its 4 core areas – education, rural development, women empowerment and health and hygiene – in Theni district."

-Ms. Jeba, Founder, Rejoice Charitable Trust, Theni

**TNF saved my son's leg from being amputated...**

**கருப்பராஜாவின் கால் காத்த கதை!**

"One day while going to school my son met with an accident. He fell from the bus and his foot got trapped under the tire causing severe fracture and skin damage. Even though I did my level best in providing needed medical care, as time progressed the injury rapidly worsened due to infection. I was told that my son's foot may be amputated if the infection was not brought under control.

I sought the assistance of TNF, which immediately set in motion proper medical care in a well-equipped hospital. Gradually, the wound healed and Karuppuraja was no longer in danger of losing his leg! TNF continued its financial assistance for procurement of orthopedic shoes. My son is now able to walk and engage in normal activities. But for TNF's timely help, all this would have not been possible."

**-Karuppuraja's mother, Nallur**

Karuppuraja, a student of A.M.C. Government High School, Nallur.

## Good Libraries Lead to Lucrative Jobs...

பொன்னேரியில் ஒரு பொற்கோவில் நூலகம்

“TNF has been the catalyst to promote the development of libraries in our district. Our Ponneri Library won state awards because of the facilities and support received from TNF. By purchasing computers and dedicated servers, TNF established a computer learning center in the Ponneri library. It became a very popular learning center for students, especially girls. Free classes were offered in MS Office for more than 750 girl students and many of them now hold lucrative jobs in the Chennai area. We have leveraged these success stories to get government grants for further development”

**-Award Winning Librarian Mr. Banic Pandian, Librarian, Ponneri**

## A Helping Hand to those Who Feed Us...

உணவளிக்கும் விவசாயிக்கு உரமளிக்கும் கலப்பை

“Small scale farmers often struggle due to lack of business acumen. Operating on a small scale, they do not have proper venues to market their fresh grown vegetables, hence their livelihood is a challenge. “Kalappai Thittam” serves as a distributor for these farmers. Daily, we deliver vegetables from these farmers to surrounding cities and negotiate sales with a reasonable profit, which is given back to the farmers. The big challenge was transportation of these fresh produce daily to the cities. TNF provided the grants for the purchase of vehicles to address this critical farmer need.”

**-Mr. Rajkumar, Makkal Paathai**

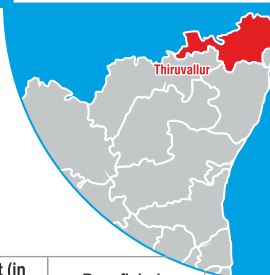

## A Retired Teacher Reminisces...

கற்க கசடற கணினியில் கற்போம்

“Around 1998, Government Schools in Tamil Nadu started promoting computer science in high schools; but the schools lacked computers and trained teachers. TNF provided support on both fronts which facilitated students learning this necessary skill. College education, like B.E., has a price-tag associated with it and all students could not afford admission. TNF has diligently worked with banks to procure student loans. Students who benefited by this initiative are well settled now and have cleared all their loan arrears.”

**-Mrs. Ambika, Retired Teacher**

**A Laptop Does Wonders...**

**பழங்குடியினருக்குப் படிப்பளிக்கும் புதிய கணினி!**

“Against all odds, I am working for the welfare of the tribal village students in a remote area in Thiruvannamalai district. I teach students who are reluctant to come to the school, so I focus not just on education but also on other aspects of life including hygiene. Father Benjamin, a TNF Life Member from San Diego, bought us a laptop and that has helped me to introduce my students to the power of computers and its far reaching benefits. As we live in a remote area, lack of reliable power supply and inadequate internet connection continue to pose challenges.”

**-Ms. Mahalakshmi, Govt Tribal Residential Middle School, Jawadhu Hills, Thiruvannamalai**

A Proud Teacher...

தமிழ்மது பருகும் திருவாரூர் தளிர்!

"What an amazing transformation of a student because of TNF's ABC project! Manmatharaj came to my TNF ABC class with no proficiency in Tamil and was unable to read beyond alphabets. With personalized coaching, he read and recited the following poetry to visitors and that made me proud as a teacher."

- Mrs. Nithya, TNF ABC Teacher,  
Government High School, Katchanam

Manmatharaj

எங்கள் தமிழ் (பாரதிதாசன்)

இனிமைத் தமிழ் மொழி எமது - எமக்கு  
இன்பந்தரும் படிவாய்த்த நல்அமுது!  
கனியைப் பிழிந்திட்ட சாறு - எங்கள்  
கதியில் உயர்ந்திடயாம் பெற்றபேறு!  
தனிமைச் சுவையுள்ள சொல்லை - எங்கள்  
தமிழினும் வேறெங்கும் யாங்கண்டதில்லை!  
நனியுண்டு நனியுண்டு காதல் - தமிழ்  
நாட்டின் யாவர்க்குமே தமிழ் மீதில்

கட்சண நட்சத்திரம்- ABC ஒளியில் பளபளக்கும் ஒரு பள்ளி !

"More than 25% of our students in 6th to 9th standard are enrolled in TNF ABC classes to get personal coaching. Because of the dedicated service by TNF appointed teachers, these students who are labelled as 'slow learners' get integrated back to their respective classes after acquiring their grade level proficiency. TNF is addressing the root causes of school dropout issues and improving the morale of not just our school but the entire village. Our partnership with TNF goes beyond ABC project: They recently funded to drill a 175-foot deep borewell that provides the much-needed drinking water for our students."

-Mrs. Latha, Head Mistress, Katchanam Higher Secondary School

TNF Houston Chapter has adopted Thiruvarur District as its Sister District.

# Thoothukudi District

“WOW – We Saw the Governor of Tamil Nadu so closely”

துளிர் விடும் தூத்துக்குடி !

Sumithra

Maharajan

Priya

“We are a representative sample of students in Thoothukudi district who have immensely benefited from the ABC program sponsored by TNF. Due to circumstances prevailing in our home front we were lagging behind in our classes, not being able to cope with rest of the students in 5th/6th standards. Our teachers selected us for special coaching in the ABC program and it has had a significant impact in boosting our morale and to score respectable marks. We aspire to graduate with high marks and make our school proud. Our visit to Chennai to attend the TNF Annual Conference in February (2019) was an incredible experience! We got to meet the Governor of Tamil Nadu at arms distance. We felt proud when some of our students addressed the audience in the Conference. Meeting ABC students from other districts, dining and socializing with them, and the tour of Chennai were all memorable.”

TNF Washington DC Chapter has adopted Thoothukudi District as its Sister District.

# Thoothukudi District

## நூலகம் ஓர் ஆலயம்

“For the last three years, TNF has been actively engaged with our school by hiring dedicated teachers to help students in 10-12th standard who were unable to cope with challenges associated with the curriculum. TNF also organized soft skills training with focus on personal growth, leadership skills, improved memory power, punctuality, and fast learning. TNF sponsored a major event, “நூலகம் ஓர் ஆலயம்” to emphasize the importance of library in enabling the learning process of students. Students eagerly participated in various competitions during the Library Week and felt gratified by winning awards. TNF has also provided reference books to assist students taking standardized national level exams like NEET, TNPSC and IPS”

**-Mrs. Jeminah Jebaselvi, Math Teacher, Govt Higher Secondary School, Savalaperi, Thoothukudi**

NIT (formerly REC Trichy) Alumni Giving Back to Alma Mater

விதையோ சிறிது ; விளையும் மரமோ பெரிது

"I am currently pursuing B.Tech in Computer Science and Engineering. My lifelong dream to become a professional in the IT industry would have remained unmet if our generous alumni from USA did not step in. I am grateful to them for the scholarship that covers the tuition fee for two semesters. Two more students are also getting benefitted and we thank our alumni and TNF for making this happen."

- Ms. Naseem Shaik, NIT Student, Trichy

# Vellore District

**From “Slow Learner” to First Rank Student...**

**ABC ஏணியில் ஏறிய எழிலரசி!**

“Due to my socio-economic background I was a slow starter. I struggled when I was in sixth-grade as the curriculum appeared to be formidable. I was then selected to receive special coaching offered in ABC classes, a TNF initiative. By attending evening classes offered by dedicated TNF teachers, I was able to rapidly improve my proficiency and I came first in my class when I was in eighth standard. My success streak continued, I got the first rank again in ninth standard. I am confident I will bring fame to my school, TNF and my parents by scoring very high marks at the district, may be even at the state level in the tenth standard final exams. In my village, there are many students facing similar challenges and I hope TNF will continue to provide the help we need.

**-G. Ezhilarasi, 10th Standard, Adi Dravidar Welfare Government High School, Eltathur**

**Sports builds life and life skills...**

**அண்ணாமலை அண்ணாக்களின் அன்பும் ; அதில் வளரும் ஆற்றலும்.**

“Our school suffered from lack of infrastructure and that began to change about six years ago with the visit of Alumni members (1956-60) of Annamalai University (AUETA). First, they focused on improving living conditions of students in the hostel, by providing kitchen, dining halls, wash basins, toilets, etc. Their focus then turned to the school classrooms. They carefully assessed our needs with frequent visits and interviews with students and staff members they provided sufficient funds, channeled through TNF, for our classroom furniture, computers with uninterrupted electricity, printers, RO (purified drinking) water, Smart Class Room (Interactive Spoken English tutoring, Motivational lectures, etc.) sound system, library with relevant reference books for national level entrance exams. Special mention should be made of the AUETA members, Jagadeesan, Raj Masur and Govindarajan. As sports activities improve physical health, mental alertness and competitive spirit among students, the Alumni group also donated towards purchase of sports gears for the students. Last year, our girls bagged the top prizes in the sports competition at the District Level. Our school now excels both in academic and other activities, and has been selected as the Number One High School (among 182) in the District, winning the Kamarajar Award and cash price of One Lakh Rupees. This transformation would not have been possible without the active engagement and support of AUETA and TNF.”

**-Mr. G. Srinivasan, Headmaster, Government High School, Athanavur**

## Computers Attract Children to Schools...

குளிரின் அருமை கணினிக்குத் தெரியும்; கணினியின் அருமை கல்வியாளருக்குத் தெரியும்

"I am currently managing the computer center at our school. We have 24 computers that are extensively used in our Information Technology courses offered for all groups. We faced a big challenge in maintaining proper control of temperature and humidity in the computer center. Also, dust control was a major challenge. We approached TNF to overcome this challenge. With the air-conditioner provided by TNF we can run all computers without any downtime. This computer center is a major attraction for parents who are eager to enroll their children in our school!"

**-Mr. R. Rajesh, Mathematics Teacher, Panchayat Union Middle School, Vadasiruvalur, Olakkur Block**

## Laptop - A Dream Come True....

மறத்தமிழன் மடிமேல் மகிழ்வாய் தவமும் கணினி!

"I always felt that children are fast learners and new techniques and technologies should be introduced to them in primary school. Computer literacy is no longer a luxury but a necessity. My dream was to have a laptop in our school so I can provide audio and visual classes to supplement regular sessions in my class. Thanks to Father Benjamin Chinnappan and to those who donated through him and TNF for making my dream come true."

**-Mr. P. Ganapathy, Teacher, Panchayat Union Primary School, Pathiri, Olakkur Block**

## A Village Library with Internet!

நூல் கற்போம்; நூலகம் காப்போம்!

Mr. Daniel, Head Master

“Since 2007, Vaidyalingam Parasakthi Trust has provided support through TNF to our school in many ways. Our Library is now adequately stacked with books of interest to students from first to tenth standard. Youth use the reference books in the library to prepare for government exams. We are one of the very few village libraries in the state that has internet and computer facility and our villagers do not have to travel long distance now for web connections”.

**CSI Meadow Middle School, Sivakasi,

“We make a living by what we get, but we make a life by what we give.”  
- Winston Churchill

Technology has long gone from being an 'enabler' of businesses to be its driver. Modern technologies around Cloud, Data, Analytics and Automation have changed the business landscape. To compete in this new world, you need the power of technology and the right people to build and manage it.

**At I&I, we have invested over two decades in both – Tech and People.**

## Our Areas of Business

### **I&I Information Management Solutions**

Our IMS practice helps integrate, store, manage and present data in a manner that enables meaningful business insights, not evident from raw data.

- ▶ Data Integration
- ▶ Data Warehousing
- ▶ Data Lake
- ▶ Data Quality
- ▶ Big Data
- ▶ Master Data Management

### **I&I Data Governance Solutions**

Our Data Governance practice offers process-driven end-to-end Data Governance solutions – Consulting, Planning, Implementation and Project Management.

- ▶ Data Governance Consulting
- ▶ Data Governance Enablement
- ▶ Collibra Implementation

### **Consulting**

Our consulting practice helps enterprises build the right technology strategy, across business functions. Our experienced teams work closely with business teams to leverage technology.

- ▶ Strategic consulting
- ▶ Application design and development
- ▶ Current state assessment and re-design of applications
- ▶ Performance tuning and enhancements

### **Staff Augmentation**

Our staff augmentation practice helps enterprises and government agencies find the right people for the right job. Our decades of experience and well-honed approach ensures that our people deliver maximum value.

- ▶ Part-time assignments
- ▶ Full-time assignments
- ▶ Project-based teams
- ▶ Strategic consulting
